- MS Excel 2000, MS Excel 2002 or MS Excel 2003 is required to run MATLAB Builder for Excel, Excel Link.

Support for Products on Operating Systems No Longer Supported

If you are enrolled in *Software Maintenance Service*, MathWorks will respond to technical questions and provide workarounds when possible for a period of two years from the date when MathWorks ended support for an operating system. See the *platform road map* for more information.
